## **SIXTEEN YEARS OF PFLUGERVILLE COMMUNITY DEVELOPMENT CORPORATION BOARD OF DIRECTORS PAST PRESIDENTS GATHER FOR PFLUGERVILLE HISTORY BOOK**

PFLUGERVILLE, Texas (Oct. 26, 2017)—On the "sweet 16" anniversary of the incorporation of the Pflugerville Community Development Corporation (PCDC,) Executive Director Amy Madison and the past presidents of the PCDC Board of Directors gathered recently for a photo to be published in the fourth book by the Pflugerville History Diggers.

This Pflugerville history book, "Images of Modern America: Pflugerville," is set to be released by Arcadia Publishing next spring and focuses on the last 50 years since Pflugerville was incorporated in 1965. The Pflugerville History Diggers include Audrey Dearing, Vernagene Mott, Lois Shrout and Pamela Stephenson.

During the discussion about the history of the PCDC, Madison decided to invite all of the past presidents together for a photo to contribute to the Pflugerville history book.

"We appreciate the opportunity the Pflugerville History Diggers provided for PCDC to be included in their fourth book," Madison said. "After 16 years in existence, it is notable that all of the PCDC past board presidents are not only still living in the area, but they're also still active in the community. This really speaks to the strength of the leadership that the city council has appointed to the PCDC board. These are people who are truly committed to Pflugerville."

The PCDC was formed as a 4B corporation in 2001.

"It's remarkable to think about how far we have come and how much the business community has grown," Madison added. "Without the involvement of this outstanding group of leaders and community servants, we would not have achieved the great success we have today."

PCDC past presidents include: John Franklin, Omar Pena, Ron Beyer, Wayne Cooper, Randy Duncan, Doug Weiss, David Clay, Jim Swanzy (current President). Fred Velarde was not in attendance. Madison is pictured far left.
